RE: PHILIP MORRIS INCORPORATED - New Application for Patent in Australia - "Smoking compositions" - Based on U.S. Patent Application Serial No. 259,264 - Your Ref: PM 1019 Australia

Dear Sirs,

We have pleasure in advising you that this application for patent was duly lodged at the Patent Office on 22nd February, 1982, and has been allotted the official filing number 80700/82.

The official filing certificate, together with our debit note for costs in this matter, is enclosed herewith.

Two (2) copies of the specification and claims as lodged with the application are enclosed for your file.

TO CARL 3-12

We have prepared a form of Declaration in Support of this application and forward it to you for execution and return at your convenience.

Convention priority of 30th April, 1981, based on U.S. Patent Application Serial No. 259,264, has been claimed for this application.

DOCKETED

Continuation fees will be payable on this application, commencing from 22nd February, 1984, and annually thereafter.

It is expected a direction from the Commissioner of Patents will issue within the next two years requiring the application to be examined. Upon receipt of such a direction, we shall inform you accordingly.
